CLEANERS*

Wood treated with cleaners will maximize its beauty and durability.
La madera tratada con limpiadores maximizará su belleza y durabilidad.

CLEARs

A clear finish that allows the wood to weather gray naturally.
Un acabado transparente que permite a la madera curarse a un tono grisáceo de forma natural.

TONERS

A slight hint of color that maintains or restores the natural beauty of wood.
Un leve toque de color que mantiene o restaura la belleza natural de la madera.

SEMI-TRANSPARENTS

A subtle color that allows the natural grain and texture to show.
Color sutil que permite que la veta natural y la textura de la madera se manifiesten.

SOLID COLORS

A rich, opaque color that allows the texture of the wood to show.
Color intenso y opaco que permite que la textura de la madera se manifieste.
